Lucy is right, it was a compliment

From Dr Ruth White.

Sir, Lucy Kellaway's article this week is the reason she is my favourite columnist on both sides of the ocean.

Thank you, Lucy, for this fantastically feminist piece which I'm sure feminists will hate. This feminist agrees with you.

It is a compliment to be desired. Ambitious career women should know how to say "No".

Harassment is a much different manner from a flirtation or a request: it's persistence beyond "No".
